IF YOU DON'T EAT IT, DON'T FLUSH IT.

THE GARBAGE DISPOSAL IS NOT A TRASHCAN.

Non Flushable Items: Feminine care products, baby wipes/flushable wipes, dental floss, produce stickers, coffee grounds, egg shells, cigarette butts, trash, and excess oil/grease. These items wreak havoc on the district's sewer collection system, often cause blockages in the system, and are extremely costly to remove prior to treatment at our sewer plant. These items are meant to be discarded in the trash. Our sewer bugs work extremely hard 24/7, cleaning the influent coming from the neighborhood to create the crystal clear effluent we discharge into the river. Please help us by being mindful of what is going down the drain and the toilets.

STAY IN THE KNOW!

Please like us on Facebook to receive live update & happening.

A FRIENDLY REMINDER: Don't forget to update your auto payment amounts to reflect the 2018 rate increase.

NEW DISTRICT MANAGER: We are pleased to announce a new District Manager to lead us in 2018.

Ronnie Benson was the Head of Operations / ORC and has been with the District for over ten years. You may have seen Ronnie around as he has been a Gunnison valley resident for over forty years and an active community member. Please stop in and meet Ronnie if you get a chance.

DO YOU HAVE A HOT TUB?

DID YOU PAY A HOT TUB TAP FEE?

The District does not charge monthly usage fees for hot tubs, but rather a tap fee for \$550.00 for a single family and \$1,100.00 for a multifamily.

Please contact us if you have not paid your hot tub tap fee.

Please note: The District will be making a big push to collect all uncollected hot tub fees in 2018.

Did you know there is a Mountain Bike Hall of Fame? It was founded in Crested Butte in 1988 to record the history of mountain biking. In 2014 it became part of the Marin Museum of Bicycling & relocated to Fairfax, CA.
