Spring Road Maintenance

The District will be busy prepping the roads for the application of magnesium chloride. Magnesium chloride, more commonly referred to as “mag”, will be applied to the district roads during the spring months to keep dust levels down and maintain the stability of our dirt roads. This year the District will be applying the magnesium chloride. This will give the District more flexibility for application and will do certain sections at a time and not all at once. The District will notify all residents prior to application. For more information about the product being applied please visit <https://chemind.com/>

Wastewater Treatment Plant Expansion

The wastewater treatment plant expansion is on schedule with completion in the first quarter of 2024. Two IFFAS tanks have been completed and we are now forming the clarifier. These projects are complex and a large portion of the construction.

Do You Have a Hot Tub?

The District does not charge monthly usage fees for hot tubs, but rather a tap fee of \$550.00 for a single family and \$1,100.00 for a multifamily. Please contact us if you have not paid your hot tub tap fee.

Special District Election

The Crested Butte South Metropolitan District is governed by a five member Board of Directors. The election to be held on May 2nd, 2023 to elect three directors to serve 4-year terms has been cancelled. There were not more candidates for directors than offices to be filled.

It is a Toilet, Not a Trash Can

You can help reduce blockages in pipes which can lead to sewer backups in the streets or even your home! Limiting contaminants and unwanted items from entering our pipes ensures a clean and properly functioning sewer system. Please remember that baby wipes, disinfecting wipes, or cloth wipes of any kind can NOT be flushed down the toilet, even if they are labeled as "disposable" or "flushable". Unlike toilet paper, which breaks down quickly in water, personal, baby and cleaning/disinfecting wipes remain intact and tangle into massive clogs that jam pumps and block pipes.

The Easiest Way to Receive and Pay Your Bill

ANNOUNCING THE EASIEST WAY TO RECEIVE AND PAY YOUR BILL
AND NEVER MISS ANOTHER PAYMENT!

Go paperless, pay online, &/or setup autopay: <https://www.xpressbillpay.com/#/?org=crestedbuttesouth10450>
