Snow Removal Applications & Agreements

ATTENTION: STARTING 2022 ALL SNOW REMOVAL CONTRACTS WILL BE SUBJECT TO AN APPLICATION PROCESS.

To apply for snow removal from Nov. 2022 – May 2023 simply fill out the snow removal agreement. CB Metro will approve or deny the agreement within 48 hours after evaluating the property for requirements such as adequate snow storage, snow poles, flags or markers marking all hazards.

CB South Metro will no longer plow private contracts in the commercial area being all of Block 6 and the inner lots on Block 4 and Block 5.

Snow removal agreements will be available October 15th or the next business day for download, at the District Offices, or e-mail (upon request).

PLEASE NOTE: agreements will not be sent out automatically.

Wastewater Treatment Plant Expansion

The District has started construction on the wastewater treatment plant expansion and expects to have construction completed in 2023. The expansion will allow for treatment of 300,000 gallons of wastewater per day which will serve the build-out expected in the District.

A major bypass project was completed on the expansion on Monday, September 19th. This project redirected every drop of wastewater that goes to the plant to the new location designed for the influent.

RIVER ACCESS IS CLOSED UNTIL FURTHER NOTICE: 220 Cement Creek is an active construction site during the wastewater treatment plant expansion and for everyone's safety, river access off of Cement Creek Road by the wastewater treatment plant is closed and fenced off until construction is complete.
