2. **Service Rate**: By signing the Snowplowing Agreement the owner has the priority of snowplowing service on a schedule to be determined by the District in its sole discretion. The owner agrees to pay the minimum charge of \$45 for snowplowing with the backhoe/loader or the minimum charge of \$50 for snow-blowing services each time the property has snow removed by the District. This equates to 18 minutes at \$2.50 per minute for backhoe, 15 minutes at \$3.00 per minute for loader, and 20 minutes at \$2.50 per minute for skid steer with snow-blower. Additional minutes will be billed accordingly.

7. **Termination of Agreement**: The owner may terminate their obligations hereunder at any time upon 72 hours written notice to the District and full payment of all charges then owing the District. The District may terminate this contract upon 10 days' notice in writing to the owner, unless the owner is delinquent in payment of charges to the District, in which case no notice is required to terminate service. The District may not accept agreements for plowing for any reason it deems necessary and will only accept contracts until our schedule is full.
8. **Notices**: Any notice required hereunder shall be deemed to have been delivered upon deposit in the U.S. Mail, postage prepaid, by first class mail and addressed as follows Crested Butte South Metropolitan District P.O. Box 1129 Crested Butte, CO 81224.

The District recommends 6' markers. **Snow removal agreements will be approved or denied via email to the address provided below.** All snow removal events are plowed in a logical order and not at a set time. The District will not notify you to move vehicles out of driveways. If vehicles are not moved in reasonable time, the operator will move on to the next contract.
